## SKILLS & CERTIFICATIONS

- SKILLS

- >UI/UX Design: Figma

- >Version Control: Git & GitHub

- >programming Languages(C++,Java,Python)

- >Web Development languages(markup and scripting): HTML, CSS, Javascript)

- >IT Essentials

- >Teaching Assistant

- Certificates

- > Software Development certificate by DTP(Digital Training Program)

- > UI/UX Design certificate by Klab TechHer online courses

- > IT Essentials certificate from Cisco Netacad

- > Teaching Assistant certificate by IEE Rwanda

## INTERESTS & ACHIEVEMENTS

- Interests

- >UI/UX design and creating user-friendly systems

- >Building innovative software solutions that solve real-world problems

- >Continuous learning through online platforms, coding challenges, and tech communities

- Achievements

- >Designed a UI/UX prototype for the Citizen Engagement System which has won the second place of DTP Hackathon 2025

- >Successfully completed several online certifications in programming and web development
